

Adair County News

VOLUME XXIII

COLUMBIA, KENTUCKY, WEDNESDAY, APRIL 7, 1920.

NUMBER 24

Death of Dr. Ulysses Montgomery.

The subject of this writing was born in Adair county, near the White Oak Church, seventy-three years ago, his birthday reaching that age would have been last Wednesday, and his death occurred in Louisville where he successfully practiced his profession for twenty years or more, the day before. He was a victim of Bright's disease, and he was an invalid several months before the end came. His wife died the first of March of last year, and the surviving members of the family are two daughters. His father, Dr. W. B. Montgomery, who in his life time, was a prominent physician, practicing in this and Russell county. Hon. Jas. F. Montgomery, of this place, is a surviving brother. The mother of Dr. Ulysses and Jas. F. Montgomery died when they were small children, and some years after her death, Dr. Montgomery removed to Russell county, having married his second wife, and it was in this county that the deceased and his brother, James, lived until they were grown. They were both ambitious and the subject of this notice adopted the medical profession and the latter took to the law; and in the meantime their father had returned to Adair county to live, and later he was followed by his son, Jas. F., who has been prominent at the bar here for more than thirty years.

Dr. Ulysses after his graduation from the Louisville University, commenced practicing at Cane Valley and a few years later he removed to Camp Knox, in Green county, where he was successful, and where he, married the first time, Miss Eliza Cornelson. To this union no children were born, and after a few years of happy married life, the wife died. Three or four years later he was again married to Miss Florence Mooreman, who was the mother of his two surviving daughters.

Dr. Montgomery stood high with the medical profession of Louisville, and his death cast a gloom over the city where he was known and appreciated.

Mr. J. B. Montgomery and Mrs. Locky Montgomery, who live at Ozark, are half brother and half sister.

The funeral was held last Thursday afternoon and the interment was in Cave Hill. Mr. Gordon Montgomery, of this place, a nephew, was in attendance.

On account of flu conditions, the celebration of the 20th anniversary of Eld. Z. T. Williams' work with the Christian Church was postponed. The church now hopes to observe this celebration next Sunday evening Apr. 11, at 7.30. A cordial invitation is extended to the entire community.

See my line of printed Georgetown crepe for blouses. Prices right.

Mrs. Geo. E. Wilson.

Misses Ruby and Ruth Sharp and Ceell Sullivan entertained a large crowd of girls with an Easter hunt, Sunday. Miss Bessie Bennett won the prize finding the most eggs.

Mr. Jas. Wilson, of Metcalfe county was married to Mrs. Elizabeth Taylor, in the suburbs of Columbia, a few days ago. Mrs. Taylor was the widow of Clarence Taylor.

The Jeffries Hardware Store is now ready to supply the farmers of Adair and adjoining counties. Read their advertisement in today's News.

Is it not strange that some men who think they are smart have so little sense that they have not sense enough to know how little they have got.

The farmers of Adair county were exceedingly busy all last week, and the industrious spirit will continue as long as the fair weather lasts.

The little child that was accidentally hurt at Campbellsville last week, is rapidly improving, we are glad to note.

Married at Cane Valley.

Last Wednesday afternoon about 6 o'clock, Miss Annie Farris, daughter of Mr. and Mrs. I. C. Farris, Cane Valley, and Mr. Jas. L. Pelley, who lives near Columbia, were quietly married at the home of the bride's parents, in the presence of a number of friends. The ceremony was performed by Eld. W. T. May, of the Christian Church.

Following the ceremony there was a bountiful repast, consisting of substantial and delicacies of the season. On Thursday the couple came to the groom's home, three miles east of Columbia, which had been furnished and otherwise made ready for the bride.

The groom is a son of Mr. and Mrs. J. H. Pelley, this place. He is a popular and industrious farmer. The bride is one of Adair county's competent school teachers. Congratulations and presents have been coming in and Mr. and Mrs. Pelley are happy.

See my line of "Window Draperies" before buying. I have the latest materials.

Mrs. Geo. E. Wilson.

Surprised Their Friends.

Mr. Chris Dohoney and Miss Hallie Clarkston, both of this place, and who have been keeping company for quite awhile, surprised their associates last Monday by going to Lebanon where they were married. They were accompanied to Lebanon by Mr. John Jeffries and Miss Mattie Morrison. The groom is a son of Mr. and Mrs. S. W. Dohoney. When the call to arms came he enlisted and went across, remaining in France more than a year. He is industrious and never lacks for employment, and has many friends.

The bride is a native of Marion county, and is a sister of Mrs. W. E. Noe, with whom she has made her home since becoming a resident of Columbia. She is a very prudent young woman. Her modesty has won her many friends since coming here to live, and those who know her well, trust that only happiness is in store for her and the young gentleman of her choice.

FOR SALE—Genuine Boone county white seed corn, 1919 crop. Two tests, 100 per cent. each. On Ear 70 lbs. to bu., \$4.25. Shelled 56 lbs. to bu. \$4.75. Good, heavy sacks included. Prompt attention to all orders.

Wm. Swearingen,
R3 Shepherdsville, Ky 24-36

Will you Help?

This is the time of the year when fur bearing animals should be protected. Be a real sportsman take in all your traps and urge your neighbor to do the same. This will insure another fur crop for next season.

Don't kill squirrels now; remember the young ones are yet in the nest. And its the mother you kill little ones die and you throw the mother away for shes not fit for food. Save the Bob White. Cut worms to destroy. And tell you when your peas are ripe. Farmer.

Mr. S. L. Fisher, a prominent farmer of the Holmes section, and one of the best watermelon growers in the Green river country, was in Columbia last Wednesday. He said that the News had not been coming to him for several months, and that he found that he could not get along well without it, and handed us \$1.50 for a year's subscription.

Drs. W. J. Flowers and O. P. Miller went to Russell Springs, last Tuesday, and removed the tonsils of a little daughter of Mr. Darnell, who runs the hotel.

Mr. Ben F. Thomas called at the News office last Wednesday and handed in one dollar and fifty cents, in payment of his twenty-third year without intermission.

Married in Louisiana.

Monday afternoon of this week, Prof. T. A. Judd, son of Mr. J. H. Judd, this place, was happily married to Miss Isabella Newberry Gwin, a member of a prominent Louisiana family. The ceremony took place at Mangham, the home of the bride. Immediately after the ceremony the couple left for Atlanta, Ga., where they had arranged for a few days stay, and from there they will go to Jellico, Tenn., where the groom is superintendent of the schools of that city.

The bride is a leader in Church work, and is a graduate of Judson College, Alabama.

Miss Lillie Judd, who is a sister of the groom, and who teaches at Mansfield, La., attended the wedding.

In this place where the groom was born and reared he has many warm, personal friends. He is a young man of polished manners, a graduate of Georgetown College, possessing an irrepressible character, and the young people with whom he grew to manhood, will be glad to learn that he has been wedded to a companion who will be a helpmate in his chosen life work.

Sometime after the close of this school year, Prof. Judd will bring his wife to Columbia, for a visit, and the two will be gladly received upon their arrival.

Married in Jeffersonville.

Mr. Calvin Cox, son of Mr. and Mrs. A. B. Cox, and Miss Mary Ruth Winfrey, daughter of Mr. and Mrs. J. C. Winfrey, this place, went to Jeffersonville, Ind., last Friday and on Saturday they were united in marriage. After the ceremony the couple left for Detroit, Mich., where the groom is employed. The bride is 14 years old the groom about 20. There were no objections upon the part of parents on either side. Their many friends extend their best wishes.

The groom has already purchased a nice home and has it well furnished. Miss Pearl Cox, sister of the groom, accompanied the couple to Detroit.

When you speak a kind word to a child on one of our streets it soon passes from your memory. But not so with the child. That kind word and others like them are remembered and treasured, and exert a beneficial influence in moulding the future character of that child. Big things grow from little beginnings, and we can do much to improve the future of our community by using kindness and friendliness in greeting the little ones when we meet them.

Mr. Edwin Baker, who was a son of the late Horace E. Baker, Campbellsville, died in Lake View, Washington, on the 14th of March. He was a victim of pulmonary trouble and his illness was of long duration. He was 28 years old and a splendid young man. He leaves a wife and a three year old boy. Also four sisters, all married, and three brothers. He was a great nephew of the editor of The News, and a second cousin of Miss Sue Baker this place.

In the building of State roads Adair County gets three, as follows: From Columbia to Tennessee State line, near Willow Grove, Tenn., via Burksville. From Somerset to Columbia via Jamestown. From Elizabethtown to Columbia via Hodgenville. These roads will be the making of Columbia and will greatly enhance the business of the entire county.

County Clerk Neat has issued the following marriage licenses since our report last week: Robert Gobel Stotts and Miss Sarah Walker, both of Dirigo; Racie Raymond Smith and Dollie Lee Wilson, both of Milltown.

All Master Masons, in regular standing, are requested to meet with Columbia Lodge, No 98, next Thursday night. Work in the third.

Born, to the wife of Henry Gadberry, Saturday, the 27th ult. a daughter.

Adair Post, No 99.

On March the 27th there was an organization formed here of the American Legion, to be known as the Adair Post, No 99. The membership is made up of young men who served in the world war and the object is to uphold and defend the Constitution of the United States and to maintain law and order and also to be ready when this country calls, to defend its colors. The following officers were elected for the coming year:

E. W. Reed, Commander.
Jas. Holladay, Vice Commander.
Ralph Hurt, Adjutant.
Shreve Davis, Post Historian.
Felix Royce, Master of Arms.
Leon Lewis, Finance Officer.
All service men are urged to join and those who want to take membership can get cards from any member of the Post.

Big Timber Deal.

Last Tuesday Guy Nell and Roy Stotts, both of this place, bought of C. D. Cheatham, all the merchantable timber on the farm which was owned by the late Ed Stotts, for \$6,500. This is one of the best boundaries of timber in Adair county. It is White oak and poplar and many of the trees are very large. Messrs. Nell & Stotts will begin cutting and hauling it to the mill as soon as they can make preparations.

Married.

Last Thursday forenoon Henry L. Sparks and Miss Nellie Murrell, both of Gadberry, drove to the home of Rev. George Collins where they were married. In honor of the event a bountiful dinner was served at the home of Mr. E. W. Bennett. The many friends of this very deserving couple extend their best wishes.

J. W. Flowers and Mrs. Lola Lovett, who owned the residence near the Graded School building, used at one time as the parsonage of the Presbyterian Church, sold it to Mr. T. A. Firkin, of Cane Valley, consideration, \$2,000. Possession will be given the first of July, at which time Mr. Firkin will become a citizen of Columbia.

Miss Mamie Morrison, daughter of George A. Morrison, of Adair County, was married in Lebanon Monday of last week to A. E. Thurman. The groom is 35 years old and is a son of W. H. Thurman, Jailer of Marion County. The bride is 21 years old, and recently she was employed at the Jeffries Hotel, this place. The couple left at once for Flint, Mich.

Mr. and Mrs. J. H. Pelley gave a dinner last Thursday in honor of Mr. and Mrs. J. L. Pelley, who were married Wednesday afternoon. The immediate relatives were present and a delightful dinner was enjoyed.

March has gone, and the ground pigs allotted time has past, and Easter blew in last Sunday. According to reckoning of all the older inhabitants, we will now have some pretty weather.

Attention is called to the "ad" of Mr. W. C. Van Hoy in to-days News. He is the owner of some fine stock and you should read what he has to say.

Mr. J. S. Breeding informs us that his Green river farm has been damaged more in the last few months than in twenty-five years past.

Tremendous hail at Cane Valley Sunday afternoon. A great many window panes were knocked out.

Mr. Eugene Wethington started his spoke factory last Monday. He has quite a lot of timber on the yard.

Some snow here Monday morning and the weather cold. Evidently fruit was chilled.

We publish all the interesting features of the New Road Law in this week's paper.

Paid List.

The following are new paid subscribers and renewals since our issue of last Tuesday.
Mrs. R. A. Montgomery, Mrs. L. P. Miles, S. L. Fisher, B. F. Thomas, J. W. Vaughan, J. C. Eubank, S. R. Elliott, Mrs. E. O. Morgan, Jo M. Rosenfield, Solomon Grady, A. R. Thomas; J. S. Campbell, Col. Frank L. Ripy, J. H. Willis, R. L. Dickerson, M. M. Ingram, Miss Sallie Stewart, E. F. Hadley, W. W. Dickerson, John Brockman, S. D. Barbee, John C. White, J. L. Johnson, J. W. Reece.

An Old Card.

The wording of the following card was sent to Miss Eliza Todd, of this place. It was found in the papers of Mr. William Hutchison by his son, Jo: "The pleasure of your company is so solicited at a social and Cotillion Party to be given at Brown's Hotel, in Columbia, Ky., on Friday evening November 30th, 1866.

Committee of Invitation:
"M. H. Turner, A. K. Russell, R. R. Peebles, T. T. Wilson, C. R. Page, P. W. Vaughn, Thos. W. Montgomery, J. T. E. M'Lean, Geo. E. Johnston.

Floor-Managers.
"A. K. Russell, J. T. E. M'Lean." Not a person named on the card is now living, but the recipient is yet residing in Columbia.

"Life is not all talmuc to the heavy touring tube that cushions all shock when the car spins along a road with wheels turning several times a second," declares Buchanan Lyon Co local Goodyear distributor. "More than talmuc is needed to smooth the rough and stony life road of tubes that stand heat and cold, neglect and abuse.

Mr. A. R. Bishop who was the owner of the Novelty Shop in this place, assigned to Mr. A. D. Patterson, last Tuesday. We do not know the amount of stock on hand nor the indebtedness. The indebtedness is principally in Columbia and in Louisville.

STATEMENT OF THE Adair County News, published weekly at Columbia, Ky., for Apr. 1, 1920.
STATE OF KENTUCKY, ss.
COUNTY OF ADAIR.

Before me, a Notary Public, in and for the State and county aforesaid, personally appeared Mrs. Daisy Hamlett, who, having been duly sworn according to law, deposes and says that she is the publisher of the Adair County News and that the following is, to the best of her knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the act of August 24, 1912, embodied in section 443, Postal Laws and Regulations, to-wit:

1. That the names and addresses of the publisher, editor, and business manager are:

NAME OF P. O. ADDRESS
Publisher, Mrs. Daisy Hamlett, Columbia, Ky.

Editor, J. E. Murrell, Columbia, Ky.

Managing Editor, Daisy Hamlett; Business Manager, Daisy Hamlett, Columbia, Ky.

Daisy Hamlett, Owner.

Known bondholders, mortgagees, and other security holders, owning 1 per cent or more of total amount of bonds, mortgages, or other securities. (If there are none, so state.) None. Columbia, Ky.

Subscribed to and sworn before me this 1st day of Apr., 1920.

SEAL: Jo S. Kniffey.

Notary Public Adair County, Ky.

My commission expires Feb. 19th, 1924.

Mr. James Cheatham, of Amandaville, delivered ninety-five head of fat hogs to Phelps Bros., this place, last Wednesday at 14 cents.

If you need fertilizer see G. W. Collins goods. Place of business in front of Durham poultry house.

The wet weather the latter part of last week retarded farm work.

Court of claims is now in session of court.

More Business Houses.

Columbia is very much in need of a few more business houses. The Bank of Columbia is going to have the corner house where Mr. W. I. Ingram is now doing business remodeled for a banking institution, and Mr. Ingram is to remove his stock of goods to the building now occupied by Dr. J. N. Page. Dr. Page has been making an effort for the past four weeks to secure a room for his business, but up to now the outlook is not favorable for a location. However, the Doctor has not given up, and says that something will turn up favorable for him. We hope so. He has been selling drugs so long that he would be greatly missed from the business affairs of Columbia.

House for rent.

H. T. Baker.

Badly Hurt.

James P. Petty, a young man of this county, who lives near Picnic, and who got fearfully mangled by a stripping machine, at Akron, Ohio, six weeks ago, was in Columbia last Wednesday, on crutches. He was enroute for Akron, to go under the treatment of a surgeon. In the accident his right knee was mashed, his back wrenched, and a terrible gash cut in one of his thighs. From his appearance we judge that it will be several months before he will be able to do manual labor.

Easter services at the Methodist and Baptist churches last Sunday. Special music at both churches and splendid sermons by the respective pastors. At the Methodist church Mrs. R. V. Bennett and Miss Frances Russell accompanied Mrs. Russell with violins. Mrs. Turney rendered a solo very beautifully.

The letter sent in from Ella, unsigned, could not be published. The contributor at Portland will also sign his letters. We do not want the names of writers for publication, but for our protection.

New Road Law.
To County Judges And County
Road Engineers:
As you are aware, the recent
Assembly which has just ad-
journcd, passed a new road law
creating a system of State high-
ways which will be constructed
and maintained with State and
Federal moneys. This law be-
comes effective July 1st, 1920,

and as this office has been advised that a great deal of confusion exists in our state at the present time relative to some of the provisions of this law, I am taking the liberty of explaining the "high points" of same for your information. I trust by now you have received a copy of this law and have carefully digested its requirements.

One of the main features of the new law is that a non-salaried, Bi-Partisan Board, consisting of four members, two from each of the dominant political parties of our State, constitutes a "STATE HIGHWAY COMMISSION" its members to be representative business men of Kentucky who are well acquainted with the State as a whole and who are to be not less than thirty years of age. This Commission in turn selects the "State Highway Engineer" who will be the executive head of the department and whose acts will need to be approved or disapproved by the Commissioner.

The new law has designated a system of State Highways, in which is embraced about 3500 miles of road, of which, at the present time, about 900 miles have been improved under the State Aid plan. This system is designated in the new law by Project numbers and gives to

each county at least one trunk line system built and maintained under State supervision.

Two of the most important provisions of this new law, as relate to our present program are in paragraph 3 and paragraph 11 of the new law. One of the provisions of paragraph 3 relating to county appropriations, donations, subscriptions and gifts on either State or Federal Aid projects now under construction or which are being surveyed and planned for reads as follows: "The said State Highway Commission shall ascertain all gifts donations or appropriations which have heretofore been made or promised by any person, corporation, county or municipality in aid of the construction of any road known as a State Aid or State and Federal Aid road, where such gift, donated or appropriation has not been completed, and said gifts donations or appropriations, or any promise thereof shall be binding and of full effect the same as when made, and nothing in this act shall be construed to affect the validity thereof."

This provision clearly sets forth that no reimbursement will be made on projects of this character which have already been financed or which will be financed under past promise until July 1st, 1920.

for your floor's sake -

See that the above label appears on the can of floor finish you buy. It identifies the floor-finish of quality and favor—Hanna's Lustr-Finish. When you have furniture or woodwork that needs brightening, floors that need re-finishing, get a can of

HANNA'S LUSTRO-FINISH

and set to work. Equipped with this combined stain and varnish you can make things look bright and new. Scratches, scars and worn spots disappear in a wonderful way before Lustr-Finish. And best of all it WEARS. Try it

SOLD BY

JEFFRIES HARDWARE STORE
COLUMBIA, KENTUCKY.

The program of construction which has been laid out in this bill will require at least ten to fifteen years for its ultimate completion, even though future Legislatures furnish sufficient revenues for that purpose, and counties which repudiate their present agreements or promises with this office in regard to projects which are now under way or which will be under way by July 1st, 1920, will be in grave danger of not only losing their Federal money which have been set aside for them, but perchance may postpone the construction of certain projects until years in the future. For these reasons, it is very necessary that contemplated improvements which have been under way for some time be handled as if no road bill had been enacted.

One of the provisions of paragraph 11 relates to those counties that desire to anticipate the construction of primary roads that cross their country and reads as follows:

"If any county desires to construct any part of any primary road before the state may construct same under the plan and system herein designated such county shall make request of the State Highway Commission so to do. When such request is made, the State Highway Commission shall immediately investigate such request and if they find that the county has funds available to construct any part of such road and will pay for the construction thereof, the State Highway Commission may take up immediately by the construction of such road, but they shall not do so until the

county has taken such steps as they may require to make available subject to their order sufficient funds to pay for the construction of such road. When the county has satisfied these requirements. The State Highway Commission may proceed to construct such road in the same way and manner under the same regulations that they construct other roads as herein provided. They shall keep careful account of the money thus advanced by the county to the state, and when the project of which such road is a part shall have been completed, the state shall refund to the county the full amount of money thus advanced with proper certification of the State Highway Commission."

This is only a provision in the new road bill which has any connection with reimbursement and you will carefully note that an arrangement of this kind will need to be perfected with the new State Highway Commission and that it will in no way be mandatory for them to enter into such agreement being purely within their discretion. I feel sure in some instances, to hasten the construction of certain important projects in our State that this Commission will see fit to enter into such agreement with counties that have found available for the financing of the project but do not believe that indiscriminate use will be made of this plan as it would create too large a liability for future years to take care of. You will also note that even though such an arrangement is

DEFERRED WORK ADDS TO RAILROADS' TASK

Large Capital Expenditures Required, Says Hines—Impossible to Do All Now.

In order to keep pace with the growth of business and production in this country and the demand for increased transportation facilities an enormous amount of railroad work must be done in the next few years which will require the investment of billions of dollars of new money. This is essential not only to maintain the railways at their normal high standard of service and efficiency, but also to make up for ordinary expansion and improvement needs on existing lines which were interrupted by the war and to a large extent deferred altogether.

Railroad managers realize that even if the necessary new capital was available it would be practically a physical impossibility for the railroads to accomplish any large part of this delayed and accumulated work during the present year. Consequently the most vital needs of the railroads will receive first consideration in the plans for the immediate future so that the public demands in the months of heaviest traffic may be served as efficiently as possible.

Vast Amount of Work to Be Done.

Walker D. Hines, Director General of Railroads under government control, emphasized this task facing the railroads after their return to private operation in a letter to Senator Albert B. Cummins, chairman of Senate Interstate Commerce Committee, and Representative John J. Esch, chairman of the House Committee on Interstate and Foreign Commerce. Mr. Hines presented this phase of the railroad problem to them in urging the necessity for pressing the railroad legislation and to point out that delay would "seriously impair the public service by virtually suspending improvements and the acquisition of equipment."

"In order to keep abreast of the growth of business in this country," wrote Mr. Hines, "it is indispensable that railroads should continue to spend large sums in the acquisition of new equipment, the enlargement and unification of terminals and the construction of additional and the enlargement of existing shops, engine houses, turntables, etc., and in the carrying forward of normal programs for the revision of grades, construction of additional main line tracks, longer and more numerous passing tracks, etc."

Goodyear Advantages in Tires for the Smaller Cars

Just as Goodyear is successful in building extreme value into the Goodyear Tires that go on the highest-priced motor cars, so is Goodyear successful in supplying unusual worth in Goodyear Tires for smaller cars.

Into the making of Goodyear Tires in the 30x3-, 30x3½-, and 31x4-inch sizes have gone the full advantages of Goodyear experience, skill and modern facilities.

The results of this unusual endeavor are easily available to every owner of a Ford, Chevrolet, Dort, Maxwell, or any other car requiring the sizes mentioned.

Go to the nearest Goodyear Service Station Dealer's place of business for these tires, and Goodyear Heavy Tourist Tubes. He carries them in stock.

30x3½ Goodyear Double-Cure \$23.50
Fabric, All-Weather Tread

30x3½ Goodyear Single-Cure \$21.50
Fabric, Anti-Skid Tread

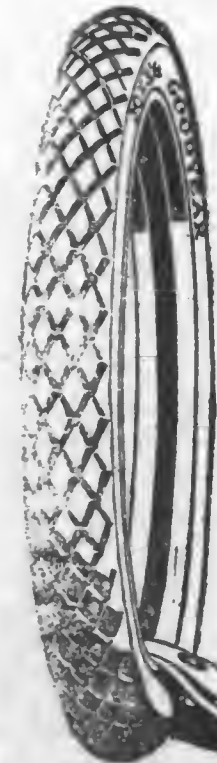

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size in water-proof bag. \$4.50

GOODYEAR

Over Half the Cars in America Use Clincher Tires—Sizes 30x3, 30x3½, 31x4.

We have done some serious thinking about this tremendous market.

We think the great army of owners who operate these light cars should be able to purchase as good a tire for their car as it is possible to manufacture. THE GOODYEAR TIRE & RUBBER COMPANY has specialized on the construction of these tires.

We have a complete stock of these famous tires—they cost no more than many ordinary tires.

Let Us Show You.

Our Expert Tire Service Will Positively Increase Your Mileage.

THERE IS NO EXTRA CHARGE.

THE BUCHANAN-LYON COMPANY.

They Are Best, But—They Cost No More—Goodyear Heavy Tourist Tubes.

Every family boasts its superiors and inferiors, and more often than not the family is mistaken. Families are queer things in judgment of its members; they seem to find it impossible to judge impartially as they would judge outsiders. How often you hear something like this: "Isn't it strange the way the Perkins

humor that youngest child of theirs. They talk as though he were a wonder, and he hasn't half the brains of his older brother." Yet probably their own darling Sarah, or Anne, or whatever is mother's or father's favorite because she has never given them one moment of

The Best Insurance Against Influenza.

Prominent Educator Believes That Vapometha is a Sure Preventive.

Dr. R. M. Brame, discoverer of Brame's Vapometha Salve, has a letter from C. C. Wright, Superintendent of the Wilkes County, N. C. Public Schools, in which he says: "We have used Brame's Vapometha Salve for nearly all the ills for which it is prescribed and have always secured satisfactory results. If used in time it has never failed to break up colds, usually the forerunner of Grippe, Influenza and Pneumonia. . . . I speak from personal observation. I believe if this preparation is used in time it will prevent the development of pneumonia in every instance, if used according to directions."

The strong statements are fully justified by the remarkable recoveries that follow. Brame's Vapometha Salve is applied freely over the chest and throat and inserted in each nos-

tril. Brame's Vapometha Salve penetrates the pores of the skin, relieving congestion, at the same time healing vapors arise and are breathed through the mouth and nose, loosening the phlegm and causing the patient to breathe freely. Its absolute reliability is evidenced by dozens of unsolicited testimonials. Brame's Vapometha Salve will relieve pneumonia, influenza, grippe, pleurisy, bronchitis, whooping cough, catarrh, asthma, tonsillitis, hay fever and inflammation of the skin.

Vapometha is applied externally, and it will not stain the clothes, as other salve do. No home should ever be without it. Buy it from your dealer or direct from the Brame Drug Co. North Wilkesboro, N. C. A small bottle costs 30c; a much larger one, containing six times as much \$1.20

Adv.

trouble. Probably the poor child hasn't enough brains to start any trouble. To be misunderstood by one's family is becoming rather a common complaint of youngsters. It is often very laughable, but it is sometimes unhappily true.—Lebanon Enterprise.

ANNOUNCEMENTS FOR CONGRESS.

We are authorized to announce
RALPH GILBERT, of Shelby county,
a candidate for the Democratic nomi-
nation for Congress in this, the Eighth
Congressional District of Kentucky.
State Primary Election Saturday,
August 7, 1920.

We are authorized to announce
FRANK L. BIPY, of Anderson Coun-
ty, a Democratic candidate for Con-
gress, in the Eighth district, subject
to the action of the State primary
August 7, 1920.

The fee to be paid by each ap-
plicant for a certificate to teach
school, under the new law, is
\$2.00. The extra dollar put on
will approximately throw \$24,-
000 into the hands of the State
Board of Examiners. The first
examination in this county, for
both white and colored, will be
the third Friday and Saturday
in May. After the examination
here the papers will be forward-
ed to the State Board for a deci-
sion as to class of certificate.
\$2.00 will have to accompany
each application. A fellow with
an inquiring mind recently ask-
ed what did the last Legislature
do? The answer was the Sheriff
will tell you all about it a little
later.

The Democrats of Kentucky
will meet in convention at Louis-
ville in May to elect delegates to
the National Convention, reor-
ganize the party committee and
adopt laws for the party govern-
ment for another four years. The
democrats expect to and will se-
lect the members of the commit-
tee which will have the party des-
tiny in control for four year. The
rules should be fair to all demo-
crats and no person should be
permitted to hold a position on
or under the State Central or any
district county committee who is
a candidate for or holds any office
elective or appointive. Such
a reorganization will insure dem-
ocrat success, party harmony,
and will have a restraining in-
fluence on machine politicians.

For several week we have pub-
lished a call over the name of
the Chairman of the Adair
County Committee, for a meet-
ing of the Democrats of Adair
County, in Convention, to be
held here on Saturday, May 1st,
to select delegates to the State
Convention. Let as many Demo-
crats as possible be in Columbia
on that day, Saturday May 1st.

Mr. Hoover will not be nomi-
nated by the Republicans at
Chicago. The man who will re-
ceive the nomination will be
named by the bosses before the
Convention meets.

The farmers of Adair County
will pay out more money in taxes
this year than any other year
since Adair has been a county.
There has been some legislating
up at Frankfort. When the race
for Congress opens you will hear
some psalms sung.

DODGING BIG PROBLEMS.

The Republican leaders of Con-
gress have made their plans to
quit Washington early in June
and return the first Monday in
December. Representative Frank
W. Mondell, leader of the House,
and Senator Henry Cabot Lodge,
leader of the Senate, are work-
ing to that end.

Some of the things that Pres-
ident Wilson asked Congress to
do this session and which have
not been accomplished and
which are not likely to be done
if the Republican plan is real-
ized, are the following:

To provide for a federal budg-
et system to prevent the waste
of Government money.

To simplify the taxes on in-
comes and excess profits and to
readjust other levies on the
people.

To provide employment and
land for former service men.

To enact laws to encourage
farmers and promote an increase
in crop production.

To afford protection for the
nation's new chemical and dye-
stuffs industries.

To give federal aid for the
building of public roads.

To foster the development of
forest resources.

To readjust the tariff system
to meet changed world conditions.

To regulate the transportation
of food in interstate commerce,
the holding of food in cold stor-
age and to prevent "unconscion-
able profits."

Up to this time Congress has
paid but little attention to these
recommendations of the Presi-
dent. It is the present purpose
of the Republicans to get away
in June without doing so.

SPRING IS HERE BUT ARE YOU READY TO PARTAKE OF PLEASURES OFFERED?

Trutona Is Daily Winning Unstinted Praise From Hundreds for Over-
coming Tired, Draggy 'No-Account' Feeling So Prevalent
During the Present Season.

Does the coming of spring with all
its pleasures mean anything to you?
"That all depends," may be your
answer and admittedly "it all de-
pends" it all depends upon whether
or not your system has withstood the
exacting siege of winter that leaves
in its wake so many many thousands
of people with completely run down
systems.

In fact, conspicuously in the mi-
nority are those who have completely
avoided the ravages of winters ma-
ladies. True there are thousands who
were successful in warding off attacks
of influenza and still more thousands
who escaped pneumonia, but WHO
IS THERE THAT DID NOT EX-
PERIENCE AT LEAST ONE
HEAVY WINTER COLD DURING
THE PAST SEASON? Remember,
only second in severity to pneumonia
and influenza, is the heavy winter
cough or cold.

Like pneumonia and influenza, winter
coughs and colds tend to weaken
and materially effect almost every vi-
tal organ of the body. People who have
winter cough, yet feel that their
systems have escaped the strain of
winter weather, are sadly mistaken,
if they could but grasp the facts
they would not wonder why they

WHY HAVE "SPRING FEVER"

Why Worry, Fret, and Get Nothing
Done, Just Because Your
Blood Is Sluggish?

YOUR BLOOD NEEDS STRENGTHENING

People Nowadays Take That
Wonderfully Effective Blood
Tonic, Pepto-Mangan
your Druggist Has it

Really, isn't it foolish to be handi-
capped for weeks in the Spring, just
because your blood is 'sluggish'?

The glorious Spring days! You
ought to enjoy them, instead of feel-
ing unhappy and half asleep—just too
tired out for anything. You ought to
be finding new vigor for your work in
the Spring air—"pep," enthusiasm,
happiness!

But you can't, because your blood is
clogged with poisons. For long
months it has had too little fresh air
and has fought off many germs. And
it now has heat-making properties
that are not needed in warm weather.

Don't work under a handicap, when
it isn't necessary at all. Clear up
your sluggish blood. Give it help.
Get some of that famous blood puri-
fier and tonic, Pepto-Mangan.

Pepto-Mangan is used by physicians
everywhere. You can buy it at any
drug store in either liquid or tablet
form, just as you prefer. There's no
difference in medicinal value.

Make certain that you get the gen-
uine Pepto-Mangan. Ask for "Gude's
"Pepto-Mangan," and see that the
name "Gude's" is on the package.

Continued from page 4.

ing. You may not live to see the day, but the people of Gradyville never before was worked up to such a point, on the road question, as they are today. You take such men as W. L. Grady, Judge Moss, Nell Bros., Luther Willis, L. B. Cain, B. B. Jones D. C. Wheeler, and in fact all the farmers and business men of the community that will put their money in for a pike just from this place to Columbia. If it takes five hundred dollars a piece or even a thousand dollars to do this work they are willing to deliver the goods. Just as soon as it is made known that there is enough money subscribed to build the pike to Gradyville

not halfway, but right in the center of the town. Charles, rest easy, the thing you worked so hard for while you were a citizen of the county, is certain to come.

Miss Evelyn Simmons and Mr. Sam Dudley were quietly married at Campbellsville on the 1st. Their many friends wish them a long and prosperous life.

PERSONALS

Mr. W. C. Duvall, Bowling Green, was at Jeffries Hotel a few days ago.
Senator Robert Antle, Russell county, was here last Tuesday, enroute to Louisville.

Hon. Lilburn Phelps, who was clerk of the Senate at the last session, was here last Tuesday night, enroute to his home in Jamestown.

Mr. Oma Goode, Campbellsville, was here a few days since.

Mr. Jo Stapp and wife, Russell Springs, were here a few days ago.

Mr. J. C. Eubank, Campbellsville, was here the middle of last week, meeting old friends.

Mr. R. J. Lyon, Campbellsville, spent last Wednesday in Columbia.

Mr. B. F. Chowning left Saturday for Hopkinsville, and he will be absent several weeks.

Mr. Albin Murray went to Louisville the first of last week to purchase his spring stock. He was accompanied by Mr. and Mrs. Frank Richardson and their little son, Harold, and Miss Lizzie Jones.

Mrs. J. S. Breeding, who is in the Lebanon infirmary, writes her husband that she is getting along nicely, but that it would be several weeks before she could be at home.

Mr. S. W. Cardwell, of Louisville, a popular shoe salesman, was here last Thursday.

Mr. H. K. Alexander, of Burksville, who has a malignant throat trouble, was here Wednesday, enroute to Louisville for treatment.

Mr. Edward M. Hite, Lexington, was at the Jeffries Hotel Thursday.

Mr. Will Callison and Mr. Mr. R. C. Borders, Campbellsville, were here a few days since.

Mr. Jas. T. Page has been confined to his room for several days. Nothing serious the matter.

Mrs. B. T. Watson left last week for a sanitarium in North Carolina. She will probably remain there several months. When she has recuperated she will meet her husband in Providence, Ky.

Mr. J. G. Caldwell, who has been employed at Akron, Ohio, has returned home. He is a son of Mrs. Etta Caldwell.

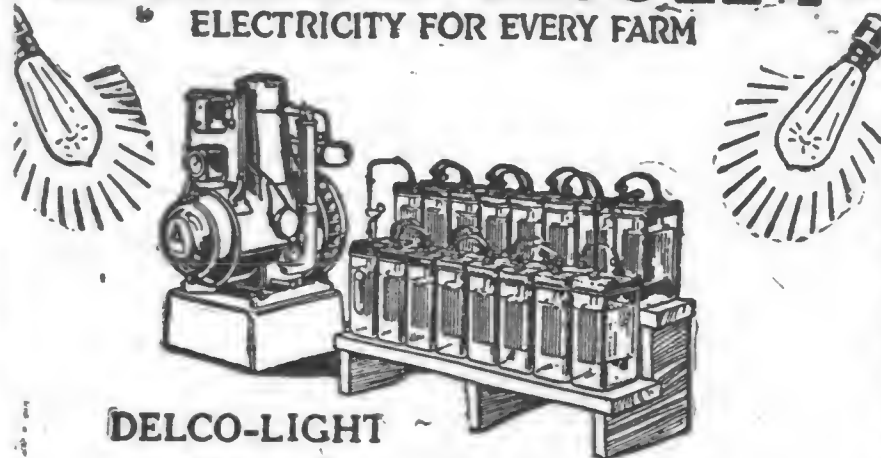

Mr. E. L. Sinclair, editor Columbia Republican, was in Louisville last week.

Mrs. Lucy Follis, who spent two weeks with her sister, Mrs. Staples, returned to her home, in Campbellsville, Saturday.

Col. Frank L. Rippey, of Lawrenceburg, Democratic candidate for Congress in this the Eighth district, was here last Friday and Saturday, meeting his numerous friends. Col. Rippey will again be here the first Monday in May, county court, at which time he hopes to become acquainted with many more voters of Adair County. He is evidently meeting with encouragement throughout Adair.

Gen. Jas. Garnett, of Louisville,

DELCO-LIGHT
ELECTRICITY FOR EVERY FARM

Delco light used for light and power, air cooled, no water to freeze in winter, no water to boil over in summer, no slipping belts, no magnets to contend with, no grease cups. Only one place to oil, will run five hours on one gallon of coal oil. It's a four cycle engine with overhead valves.

Automatic start and stop. 40 lights, 32 volts, 20 candle power. If you need more power and want more lights we have them from \$395.00 on up.

If interested write for catalogue, or call on

arrived last Friday and spent two days with his many friends.

Mr. A. J. McDowell, Glasgow, was here a few days ago.

Miss Stella Garnett, who taught in Alabama, returned home last week.

Judge G. T. Herriford and Mrs. Herriford returned from Carthage, Tenn., last Friday. They were accompanied by their daughter, Mrs. Clyde Read, who will make her home in Columbia.

Mr. and Mrs. Clyde Crenshaw were over, from Campbellsville, Sunday. Mr. and Mrs. E. S. Crume, parents of Mrs. Daisy Hamlett, arrived Monday afternoon for an extended visit. Mr. E. T. Kemper and Mrs. Hamlett met them at Campbellsville.

Mrs. G. R. Reed, who is being treated at Louisville, is rapidly improving.

Mr. S. E. Shively spent several days of last week with his brother-in-law, Mr. W. I. Ingram, who is in an infirmary, at Louisville. He reports that Mr.

Ingram will soon be able to come home. Mr. and Mrs. Jo Russell and children, of Lebanon, visited relatives here the first of the week.

Mrs. Ralph Waggener is visiting a niece at Cane Valley. Her brother, Allen McCaffree, accompanied her.

Mr. Bryan Montgomery, who is in the revenue service, spent Easter at home.

Mrs. J. P. Dohoney, who was quite sick for two weeks, has very much improved.

Mrs. Nannie Flowers, who was quite ill several days of last week, has about recovered.

Mr. G. C. Banister, wife and son, of Gravel Switch, Marion county, visited Mrs. Banister's parents, Eld. W. T. May and wife, from Saturday until Monday.

Mr. T. W. Buchanan was here Monday.

Mr. H. T. Baker spent last Saturday at Louisville.

The Year 1920 Will Be One Fraught With Momentous Making of History.

In the libraries of the future, the historical volumes, marked 1920, will deal with a critical period of the world's history.

The whole world is now in a frenzy of discontent. In the old world new parties with new policies, each striving for control, are walking hand in hand with the spectre of distrust, where they are not already dying in the flame of fratricidal war.

In the United States profiteering has become a science, all sense of values is gone. Bolshevism is raising its vicious head, and labor and capital, by passing the buck, each to the other, are leaving the middle class bearing the brunt of the burden.

It is a critical period through which this world is passing, and one that demands the whole-souled interest of every thinking man and woman in this world.

You can not perform your duties as a citizen of this country unless you think right; you can not think right unless you are fully informed; you can not be fully informed unless you read a daily newspaper.

As a citizen, and as a voter, you wish to vote intelligently. You wish to know what the leaders of the big political parties are offering as the panacea for this present condition. In order to perform this duty intelligently, you must have access to the news as it is published day by day.

Granted that it is your duty to read a daily newspaper, it is also your duty to read the paper that will give you the most news, particularly when its cost is the same as the others.

The Louisville Herald has the largest circulation of any morning newspaper in Kentucky, and all Louisville newspapers are sold at the same price, this is self-evident proof that it is considered the best paper by the most people.

The Louisville Herald gives you the news from the Associated Press, that wonderful news gathering organization, which covers the entire world with its list of correspondents; in addition it gives you all the news from Europe that is gathered by the Universal News Service; this in addition to The Herald's own list of special correspondents and its editorial staff. No newspaper can give you more than this—few can give you as much.

The Louisville Herald, apart from its general news value, thoroughly covers the financial world, and keeps you fully informed as to the daily fluctuations on all marketable commodities. News of the world of sports is more than a tabulation of sporting events, as compiled for The Herald's sport page.

The Louisville Herald contains more features of general family interest than we have space to specify in the short space of this advertisement; but we will say this much, that there is something of interest to every member of your family in every issue. We will, if you are unfamiliar with The Herald, gladly send you a sample copy on request. We would suggest that in order to protect yourself against a raise in subscription price for the coming year, that you give your order to your local agent now; if there is none in your town, send in the coupon below.

New Road Law.

Continued from page 2.

made no reimbursement can be given until the project of which the road in that particular county is a part has been completed in its entirety.

To my mind the two above mentioned paragraphs are of more concern to the various counties at the present time than any other part of this new road bill. and I trust that this explanation although a personal one, will be of some benefit to you in a more thorough understanding of the present status of road construction up until the

time the law becomes effective.
Joe S. Boggs,
Commissioner of Public Roads.

Resting.

Mr. Thomas M. Moss was born in Adair Co., Ky., April 25th, 1861. Died March 5th, 1920, making him 58 years, 10 months and 10 days old. At the age of 26, he was married to Miss Minnie Bell, who preceded him to the bright beyond 19 years ago. To this union were born three children, Flora, Chapman and Lula. About 15 years ago he was married to Miss Amanda Asper. To this union were born two children, Clarence and Horace. All of his children were at his bedside during his last few days, except dear Chapman, who went to be with Jesus not quite two years ago. About forty-one years ago he made a bright profession of religion at his home and we have been told by his brothers that he shouted the praises of God for hours. He soon united with the Methodist Church, where he lived a true and faithful member until God said come home and today he is with Jesus. Surely no one ever left brighter evidence of a home in Heaven. What more could he have gained? While we could hardly bear to see him suffer so much and watch him weaken and grow pale in death, it was glorious to hear the sweet words that fell from his lips. His dying message, "I am going to Heaven." To us his life was beautiful. He was ever ready to lead in prayer or song, when

called on, and would often rejoice in his Savior's love. He was a true husband and devoted father. May God help us all to live as papa lived and be as ready to go as he was. But why should we grieve when he has just gone on before us to eternal rest and glory, leaving us still here in a world of sorrow and have yet the debt to pay. Impressive services were held at his home in Gradyville, and the remains we laid to rest to await the resurrection at his old home on Leatherwood.

Flora.

At Rest.

Mary Ellen Lemmon, Born 1840, September 15th 79 years 5 months and 8 days.

Departed this life March 23rd 1920. Was married to James Henry Lemmon 1855, September. Born to this union 7 children all living but two who have passed to the other side. Thus leaving five to mourn the loss of mother.

She was grandmother of 34 children and great grandmother of 18 children. She was converted early in life was united to Cumberland Presbyterian church under the preaching of Bro. John Walls. She lived true to the Presbyterian church until 1884, moved to Adair County joined the Methodist church 1884 and has been a faithful worker in the Methodist church. She was loyal to its institutions. She has kept in sacred memory James Henry Lemmon her husband, for 48 years. She has now gone to her reward to meet loved ones. X X

FREIGHT LEAST H. C. L. EXPENSE

Director General Hines Says Railroad Transportation Costs Are Lowest in History.

NOT CAUSE OF HIGH PRICES.

Freight Advances Compared With Rise in Value of Goods—Transportation Cheapest Thing Public Buys. Charges on Some Articles.

Data compiled from authoritative sources shows that railroad freight rates are the least factor in the cost of living. Although the proportion of the total cost of goods that can be charged to transportation is not known with statistical accuracy, it is estimated that the average transportation cost of things produced in this country is a very small percentage of their total cost to the consumer.

Freight Cost 2.4 Per Cent of Total.

In a letter to Representative John J. Esch, chairman of the House Committee on Interstate and Foreign Commerce, Julius Kruttschnitt, chairman of the Southern Pacific Company, points out that in the last five years the value of goods increased on an average of \$63 a ton, while freight charges advanced only 60 cents a ton.

In five years, he explains, the average value of freight carried by the railroads increased from \$56 to \$119 a ton. The cost of carrying this increased from \$2 to \$2.80, paid to the railroads. In 1914, he adds, 3.6 per cent of the total cost of the goods was spent for transportation. In 1919 only 2.4 per cent was spent.

"In other words," Mr. Kruttschnitt writes, "only 80 cents out of \$63, or 1.3 cents out of every dollar of increase in value of commodities in 1919 was caused by increased freight charges. The responsibility for the remaining \$62.20, or 98.7 cents out of every dollar, must be sought elsewhere. It was not caused by freight rates."

Rates Lowest in History.

Comparison with transportation charges in other countries shows that in no other country of the world is transportation furnished at so low a cost as in the United States. Compared, too, with the cost of other goods and services today, railroad transportation is the cheapest thing the public buys. It is sold for less than the cost of production, considering all the elements of cost.

In a statement on this subject to the New England Bankers' Association Walker D. Hines, Director General of Railroads, said:

"I think it is a fair statement that at the present time, despite the increases which have taken place in freight rates, a ton of steel or a ton of coal, a bushel of wheat or the unit of any other commodity has to pay for transportation a less percentage of the price of that commodity than ever before in the history of the country."

Charges on Some Articles.

Before the war a suit of clothing from one of the Chicago factories, selling for \$30 in a retail shop, was carried from Chicago to Los Angeles for 16½ cents. The suit of clothes now retails at \$50 or \$60, but the freight rate on that 2,265 mile haul has increased only 5½ cents, while the price of the goods has gone up \$20 or \$30.

The 22 cents does not cover all the transportation cost in a suit of clothes, the transportation charge for carrying the wool from the ranges and the cloth to the clothing manufacturer and other minor carrying costs enter into the consideration, but the final transportation charge is the principal one, and the other charges add only a few cents more.

New England shoes are shipped from Boston to Florida at a cost of less than 52-3 cents a pair. This is an increase of only one cent over the pre-war rate. The railroads also carry beef from Chicago to New York for a charge of about two-thirds of a cent a pound. Typewriters are carried from New York to St. Louis for 66 cents. A \$150 phonograph is carried by freight from New York to Atlanta for \$2.85. A grand piano is carried clear across the continent for \$39 and in carload lots for \$23.

These are typical freight rates, and they make it plain that American railroads give the lowest cost service in the world.

Even with a very considerable increase in rates to make the roads self-supporting, transportation will still be the cheapest thing the public buys.

If you could buy a friend for \$5.00 a year

—a friend with stimulating ideas on national and local problems, one whose views would command as much respect, for instance, as that received by the editorial page of the Louisville Courier-Journal:

—a friend who would meet you early in the day and tell you in a concise, authoritative way about every important world event during the preceding twenty-four hours, quoting what the New York Times was printing the same morning, what the reliable Associated Press was saying about politics, strikes, or the High Cost of Living; giving you news which he had received by wire the night before from correspondents all over Kentucky, Indiana, and Tennessee;

—a friend who would sit down while you were eating your cereal and draw a cartoon which would make you think, and then some pictures that would make you laugh;

—a friend versatile enough to give your wife just what she wants to know about cooking, shopping and fashions, then entertain the children every day with a forest animal story.

—a friend who is not obtrusive, but who stands ready, any moment during the day to answer your questions about racing, boxing or any other sport—and the next minute "tip you off," if you want him to, on the way stocks are selling on the metropolitan markets.

—If you only COULD buy a friend like that, and for \$5.00 a year.

—You Couldn't Spend the Money Too Quickly, Yet

The daily Courier-Journal is ready to do all that this person might. Its opinions always are worth careful consideration. Its news service is reliable and complete, its features for the home and for every member of the family are entertaining and instructive, and it costs only \$5.00 for an entire year.

But Best of All We Are Now Able To Offer

THE DAILY COURIER-JOURNAL

And The

ADAIR COUNTY NEWS

BOTH 1 YEAR, BY MAIL, FOR ONLY \$6.00

This offer applies to renewals as well as new subscriptions, but only to people living in Kentucky, Tennessee or Indiana. New subscriptions may, if desired, start at a later date, and renewals will date from expiration of present ones.

If you prefer an evening newspaper, you may substitute The Louisville Times for The Courier-Journal.

Send or bring your orders to the office of the

ADAIR COUNTY NEWS, Columbia, Ky.

For Sale.

I have 50 acres of land on upper Greensburg road, one and a half miles from Cane Valley. Eighty-five acres on same road and adjoining. A house and six acres, the house 5 rooms, comparatively new, for sale. Apply to T. F. Corbin, Cane Valley, Ky. 22-4t

A lot of our young men have resigned themselves to a useless life because they believe opportunity only knocks once and they were not at home when she knocked at their door. That's all foolishness. Opportunity is in the air, and all we need is to reach out and get it. The next time some job comes your way don't think, "Oh, that would hardly pay, and anyway, next week I had planned to do something else." Just go ahead and do it. It may develop into something worth while, and even if it doesn't you've gained a little more will power for the next attempt.

Shoulders All Baking Cares

When CALUMET comes in, all baking troubles take quick leave. You go right ahead and mix up baking materials, for biscuits, cakes—anything without fear of uncertainty. Calumet makes you forget failure.

CALUMET BAKING POWDER

is the most popular because it does give most perfect results. It has the biggest demand because it is the most dependable. The fact that it is the biggest seller proves that it is the best. A trial will convince you that there is none "just as good." Buy a can—if you are not satisfied take it back and get your money back. Calumet contains only such ingredients as have been approved officially by the U. S. Food Authorities.

You save when you buy it. You save when you use it.

BALL CHIEF,
3806, A. S. H. R.

Lawrence Rousseau
2744, A. S. H. R.

\$12.50 TO INSURE A LIVING COLT IN BOTH CASES.

DESCRIPTION:---Ball Chief, in color is a rich red chestnut, star and snip, hind pastern white, 10 years old, 16 hands high, has fine head and beautiful long slender tapering ears, has an extremely long thin blade neck, that comes out of his perfectly formed withers in faultless fashion and tapers perfectly to his beautiful head in which are set a pair of large clear expressive eyes. He has a high well set natural tail, which he carries at all times to suite the most fastidious. He has a good short back and a most excellent set of feet and legs. He is nicely broken and gaited, and goes all the gaits in a most attractive manner.

While he has not been extensively shown, yet, he has contended for honors in some of the best congregations of show horses and his many winnings are proof of his powers to meet the requirements in the best show rings. As a breeder he is in the front rank, transmitting to get, form, size, style, and manner of going that are his characteristics and which make, not only show animals, but the general utility horse---the horse that will always live in the fancy of men and perform the service in that manner that will command a fancy price.

BALL CHIEF has for his sire the champion Montgomery Chief, 1361, by Bourbon Chief, 976, by Harrison Chief, 1606, he by Clark Chief. 1st. dam Louis Abdella, 5000, by Red Squirrel, 53. 2nd. dam Juella C., by Jewell Denmark, 70, he by Washington Denmark, 64, 3rd. dam Dew Drop, by Artist, 75. 4th. dam by Cabell's Lexington. He has proven himself a breeder of high class and is in every way worthy of your careful consideration.

LAWRENCE ROUSSEAU, NO. 2744, A. S. H. R.

DESCRIPTION AND PEDIGREE:---Lawrence Rousseau is the greatest horse sired by old Red Bird. It is now conceded by all good horse judges that old Red Bird is one of the greatest sires ever produced in Southern Kentucky. It is also generally admitted that Lawrence Rousseau is the finest individual, as well as the best bred colt ever sired by Red Bird. We have four important reasons for believing that Lawrence Rousseau is the greatest Red Bird horse in existence today. Our first reason is his superior individuality. Our second is the money for which he has sold. Our third is his matchless record as a show horse. Our last is the faultless pedigree which proves him to be the best bred horse in Southern Kentucky. Lawrence Rousseau is a chestnut sorrel, 13 years old, 16 hands high, with white hind feet, a blaze and snip. As an individual he stands almost without an equal. He has the size, the color, the form, the style, and the biggest ways of any horse in Kentucky. He was sold by R. F. Paull, of Columbia, when one year old for \$350, that being the highest price ever paid for a yearling colt in Adair county. He was sold as a two-year-old for \$800, again breaking the record for a colt of his age. He was shown as a yearling and as a two-year-old in six county fairs, and was never defeated by a stallion, mare or gelding of his age. He made his first show in the sweepstake harness ring for all ages, but who won the premium defeating some of the best stallions sires by Dignity Dare. He was shown last summer in two fancy turnout rings, winning the premium in each case in competition with the finest horses in the country. This proves that as a show horse he stands without a peer for one of his age.

Rousseau, like his famous old sire, Red Bird, has proven himself one of the greatest sires yet known to the people of Kentucky. His colts are the kind that are the most sought by the dealers, as well as by every lover of a good horse. His colts are now reaching the age of maturity and a number of them have been sold at prices ranging from \$250 to \$400. Good horses were never higher and scarcer---not even enough to supply our local demand. There was never a better time in the history of this country to raise a good horse than now. If you want the best breed to the best. I respectfully invite you to inspect this horse, and his colts in this and adjoining counties before booking your mares.

Lawrence Rousseau, No. 2744, A. S. H. R., sired by Red Bird, No. 1956, grand sire of Joe Brown, 1952, he by Cabell's Lexington, No. 323, he by Gist's Black Hawk. Red Bird's dam by Bailey's Dexter, he by Cabell's Lexington. Lawrence Rousseau's first dam, Elsie Owsley, No. 2496, by Red Squirrel, No. 53, he by Black Squirrel, he by Black Eagle, he by King Eagle, he by Washington Denmark. 2nd. dam, Lula Gardner, No. 864, by Artist, No. 75. 3rd. dam, Bertie, by Grey Lexington, he by Steel Dust. 4th. dam by Stump, the dealer.

I have two good black Jacks, 7 and 8 years old, 14 3-4 to 16 hands high.

GOV. WOOD, fee \$8.00.

BRADY, fee \$8.00.

In all the above cases LIVING COLTS INSURED.

The above described stock will make the season of 1920 at my farm, known as the Jordan Page farm, one and a half miles East of Cane Valley, Ky.

I am prepared to take care of mares sent to me from a distance, at actual cost of feed. In all cases money is due and must be paid when mares are bred to other stock, traded, parted with, or removed from neighborhood without my consent. All stock will receive our personal attention, and due care will be taken to prevent accidents or escapes, but will not be responsible should they occur.

W. C. VANHOY,

Cane Valley, Ky.
